RE: RECOMMENDATION LETTER-EARL KIPRUTO CHIRCHIR

This is to certify that Earl Kipruto was on Internship at the Energy & Petroleum Regulatory Authority in the Directorate of Public Education, Advocacy and Consumer Protection, North Rift Region, Eldoret. Duration of Internship was from January, 2019 to December, 2019.

He was hard working, organized and dependable during the period of Internship. He fitted well within the Directorate of Public Education, Advocacy and Consumer Protection.

He has valuable competencies in his area of specialization and I believe that he can replicate the same in any other organization. We recommend him to any prospective employer who may wish to engage his services.

Yours faithfully

Beth Mburai

Deputy Director Human Resource & Administration
